You're invited to a great brunch!

Following the brunch you'll hear some information about the Children's Ministries at St. Paul's. We'll be planning a playgroup to meet over the summer months. There will be prizes for the little ones and activities for preschoolers. Come and enjoy the company of other adults and discuss the joys and challenges of parenting. If you are soon to have a new little one, and he/she has not yet arrived, please come and join us! You'll have lots in common with everyone soon!
