St. Paul's United Methodist Church is searching for a part-time Youth Music and Worship Specialist. The Youth Music and Worship Specialist will help make our vision of students leading worship through music come alive. This person will recruit and inspire our middle school and high school students to unveil their musical talents and train them to use them in leading worship.

Our new Youth Music and Worship Specialist will need to demonstrate strong musical talent, teaching skills and a dynamic faith that is easily exhibited to others. He or she must also demonstrate strong communication skills both internally with staff but also with students and parents. Because of our safe sanctuary requirements, applicants must be at least 23 years old.

Below is a detailed job description.
