

## Worship Support Team

*The Worship Support Team at St. Paul's is responsible for preparing the sanctuary and surrounding areas as we pass through the various seasons (Lent, Easter, Pentecost, Advent, Christmas) as well as supporting the various preaching themes throughout the year. We enhance the worship service and make sure those in attendance have what they need. We make sure the pews have what is needed including hymnals, prayer requests, offering envelopes, attendance pads, and pens. We prepare the elements for communion, we make sure the altar flowers are ordered as well as the Easter flowers and poinsettias at Christmas, we train and schedule the acolytes, and we make sure we have ushers.*

*We are always looking for members to join our team and would welcome anyone who would like to offer his or her time and talent to help with our efforts!! Please contact Teresa Shepard at [tshep1217@gmail.com](mailto:tshep1217@gmail.com) or 412-480-8538.*
