### WE LOVE YOU - WE CARE

Your church family wishes to share your joys, concerns, and sorrows through our ministry of prayer and support. Our pastoral team is available to help comfort and be present with the love of God in difficult experiences, such as grief in bereavement, divorce, and other losses; times of transition and discernment; illness and medical treatments; death and caring for the dying; coping with crises and unexpected change. As part of our covenant with you we strive to provide care and presence whenever we are needed. If you or someone you know would benefit from extra prayer or pastoral support, please let the pastors know. Please be aware that hospitals do not notify pastors of admissions. Please note that we only print names with the individual's permission. Thank you!

### PRAYER QUILTS

Our Prayers and Squares Ministry provides quilts for any person in physical, emotional, or spiritual crisis who feels they can benefit from being "covered in prayer." A heavy thread is stitched through quilt layers and the ends are left free to be tied with a square knot. As each knot is tied, a silent prayer is said for the person in need. These quilts are a statement of faith and a testimony to our belief in God and the power of prayer. We are thankful for our vibrant prayer quilt ministry, which continues during our closure. Since the congregation cannot be here to tie knots in person, the pastors and staff will tie knots in them regularly with freshly washed hands, representing the faithful prayers of the congregation.
